

## City of Greenville Police Community Relations Committee

The Police Community Relations Committee met on Tuesday, June 14, 2022, at 6:00 p.m. in the Greenville Police Department Training Rooms. Carol Naipaul called the meeting to order at 6:00 p.m. Devinder Culver called the roll call.

### **Committee Members Present:**

Betsy Ray	Mayoral
Diane Kulik	At-Large
Carol Ann Naipaul (Chair)	District 2

### **Committee Members Absent:**

Gary Davis	District 3
Sterling Ruffin	District 4
Sonny Bass	District 5

### **City Staff Members Present:**

Devinder Culver, Community Projects Coordinator, Staff Liaison

Due to the lack of a quorum, all business action items were continued to the next meeting.

Those present decided that as the annual presentation to Council was due August 15, 2022 it was important to develop a plan for the annual report and the September meeting. Carol Ann Naipaul (Chair) reminded everyone that the Committee had the option to present the report in person or to provide it to Council through Notes to Council.

Following a lively discussion, the consensus was to:

1. provide the annual report as a Notes to Council
2. focus on "School Safety" as the topic for September 2022.

Carol said she would send out an email and ask the absent Committee members their opinions.

Diane volunteered to plan the meeting.

The meeting was adjourned at 7:10 p.m.

Respectfully submitted,

*Devinder Culver*
