Addendum No. 2

Project Name:	Respect the Red – Red Light Traffic Violation Program	Project No.:	16-17-16
Prepared By:	Denisha Harris	Date:	December 6, 2016

Clarification

1. Please note the following clarification/retraction to addendum #1 regarding Owner’s and Protective Liability coverage:

The Owner’s and Contractor’s Protective Liability insurance will not be required provided that the Contractor increases the limits of the Commercial General Liability insurance to be provided and maintained by the Contractor so that the Contractor shall take out and maintain during the life of the contract commercial general liability insurance with minimum limits of \$2,000,000 per occurrence; \$4,000,000 aggregate other than products/completed operations; \$4,000,000 aggregate for products/completed operations. If these increased limits to the Commercial General Liability insurance are not provided then the Owner’s and Contractor’s Protective Liability coverage stated in the Request for Information and Proposal will be required.
