

**ADVERTISEMENT FOR BIDDERS
GREENVILLE, NORTH CAROLINA**

Sealed bids are invited and will be received by the City of Greenville Public Works Department, 1500 Beatty Street, Greenville, NC 27834 until **Monday, April 17, 2017 at 2:00 p.m. local time** for furnishing and constructing the following project:

HURRICANE MATTHEW GREENWAY REPAIR PROJECT

The person, firm or corporation making a proposal shall submit it in a sealed envelope to Mr. Craig A Midgett, EI at the Public Works Administrative offices located at 1500 Beatty Street, Greenville NC, 27834, on or before the hour and day stated on the attached bid request form. The words “Hurricane Matthew Greenway Repair Project” and the name “Craig A Midgett, EI” should appear on the outside of the sealed envelope. The proposal may also be mailed but must be received by the City of Greenville, Public Works Department prior to the time and date stated on the attached bid request form. **There will be a pre-bid meeting scheduled for April 4th, 2017 @ 2:00 PM. The meeting will be held onsite, at the project location on the South Tar River Greenway. Participants will meet in the parking area of Green Springs Park and walk to location. The pre-bid meeting is not mandatory, but it is recommended that any potential bidder attend.**

The project contractor shall provide all materials, equipment, equipment operators, labor and laborers to repair erosion incurred during Hurricane Matthew. Repair work will include, but is not limited to, the excavation and grading of existing and proposed slopes, the construction and installation of gabion baskets and the seeding, mulching and planting of any proposed vegetation. The contract shall include the removal of spoil and all necessary erosion control measures. The contractor shall make his determination of equipment and labor forces to be used. No separate measurement or payment will be made for hauling and dump fees at demolition landfills.

From Tuesday, March 28, 2017 until the date of bid opening, digital copies of bid documents may be obtained by visiting www.greenvillenc.gov, at no cost from the Engineering Division of Public Works, 1500 Beatty Street, Greenville, North Carolina, or by contacting Amanda Braddy, Administrative Assistant, at (252) 329-4467.
