Question:

On page 8 of the bid document, it shows a line for a base bid and an Alternate 1, Please clarify?

Answer:

Base bid is for all work for City Hall, Municipal, Fire Rescue 1st floor, Public Works Administration.
Alternative is for all work for Greenville Health Clinic.

Question:

Will bid award be based on the base bid or alternate 1?

Answer:

Bid will be awarded by the best option for the City of Greenville. If add Alternate 1 is chosen based on our budget than the total of base bid and alternate together will be deciding factor for bid award. If add Alternate 1 is not chosen then bid award will be awarded by lowest base bid.

Answer:

The new LVT will not be machine scrubbed but the bathroom tile will be.
