**REQUEST FOR QUALIFICATIONS FOR**  
**WASTE MANAGEMENT SERVICES**

**Public Works Department**  
**City of Greenville, North Carolina**  
**August 2017**

**I. Overview and Purpose**

The City of Greenville, NC, desires to obtain an environmental engineering/consulting firm to provide waste management services during construction activities for the Department of Public Works. Public Works wishes to employ the services of an environmental engineering/consulting firm to provide coordination, planning, design, oversight and on-site management for the handling and disposal of contaminated water and soils associated with the construction of Town Creek Culvert Drainage Improvement Project. All waste management activities will be conducted in accordance with all state and federal specifications and requirements.

Following the review of the proposals, if multiple firms/teams are short-listed they will be contacted to schedule an interview/presentation. Please note, these interviews may or may not be required depending on the initial review and ranking of the proposals. If requested, during the interview, the teams will present the methodologies they have utilized and determined most effective in their experience. In addition, we will discuss specific abilities or experiences.

The general timeline for this project is as follows:

Contract Awards	October	2017
Notice to Proceed	November	2017
Construction Complete	April	2020

**II. Background Information**

The Town Creek Culvert Storm Drain Improvements project consists of rehabilitating and replacing segments of the aging stormwater conveyance system that conveys runoff from an existing highly urbanized 308.6-acre watershed, with an additional 45.6 acres included with a NCDOT project, while installing a variety of BMPs that will remove TSS, Nitrogen and Phosphorus from the watershed.

The proposed project will include the construction of approximately 306 linear feet of one 84-inch reinforced concrete pipe culvert, 236 linear feet of dual 72-inch reinforced concrete pipe culverts, approximately 1707 linear feet of dual 84-inch reinforced concrete pipe culverts, approximately 21,780 square feet of bio-retention area, two regenerative stormwater conveyance systems, approximately 7380 square feet of street replacement with permeable pavement and an inlet capture device.

The City of Greenville is looking for a qualified environmental engineering/consulting firm to provide waste management services during construction activities. Award of the contract for the services shall be made to the responsible firm whose proposal is deemed most advantageous to the City of Greenville. Special consideration

shall be given to experience on similar projects, familiarity with the services to be provided, accreditations, personnel certifications and technical ability.

### **III. Scope of Work (Consultant Responsibilities)**

The City is requesting environmental engineering/consulting firm services to provide coordination, planning, design, oversight and on-site management for the handling and disposal of contaminated water and soils associated with drainage system construction. Construction activities will likely encounter contaminated soil and/or groundwater associated with but not limited to petroleum, solvents and listed hazardous wastes from known and unknown sources. Construction dewatering activities may generate water that must be treated prior to disposal.

Project tasks may include, but not be limited to, the following:

- Coordinate with the City and regulatory agencies to evaluate possible waste disposal alternatives and regulatory requirements/limitations.
- Waste management planning
- Permitting
- Evaluation of groundwater treatment options
- Design of groundwater treatment systems
- Oversight during construction activities
- Operation and maintenance of water treatment system by NC licensed Grade 1 Physical/Chemical Water Pollution Control System Operator
- Coordination for transportation and disposal of contaminated soil and/or groundwater. There is potential for hazardous waste to be encountered.
- Attend meetings

### **IV. Deliverables**

An approved Waste Management Plan will be required prior to beginning work. Additional deliverables include monthly summary reports submitted to Public Works providing up to date progress of the project. Submissions will include all locations and disposal quantities. At the conclusion of the project a final report will be submitted with a complete summary to include all manifests.

### **V. Supervision of Consultant**

The consultant will be under the supervision of the City of Greenville's Director of Public Works or his designee.

### **VI. Minority Business Enterprises and Women's Business Enterprises**

It is the policy of the City of Greenville to provide minorities and women equal opportunity for participating in all aspects of the City's contracting and procurement programs, including but not limited to, construction projects, supplies and materials purchase, and professional and personal service contracts. In accordance with this policy, the City has adopted a Minority and Women Business Enterprise (MWBE) Plan and subsequent program, outlining verifiable goals.

The City has established a 4% Minority Business Enterprise (MBE) and 4% Women Business Enterprise (WBE) goal for the participation of MWBE firms in supplying goods and services for the completion of this project. All firms submitting qualifications and/or proposals agree to employ "good faith efforts" towards achieving these goals and supply other information as requested in the "MWBE Professional Services Forms" included in Appendix A. Failure to complete the MWBE forms may be cause to deem the submittal nonresponsive.

Questions regarding the City's MWBE Program should be directed to the MWBE Office at (252) 329-4462.

## **VII. Equal Employment Opportunity Clause**

The City has adopted an Equal Employment Opportunity Clause, which is incorporated into all specifications, purchase orders, and contracts, whereby a vendor agrees not to discriminate against any employee or applicant for employment on the basis of race, color, religion, sex, national origin or ancestry. By submitting qualifications and/or proposals, the firm is attesting that they are an Equal Opportunity Employer.

Federal law (Rehabilitation Act and ADA) prohibits handicapped discrimination by all governmental units. By submitting a proposal, the vendor is attesting to its policy of nondiscrimination regarding the handicapped.

## **VIII. E-Verify Compliance**

By submitting a proposal, consultant acknowledges that compliance with the requirements of Article 2 of Chapter 64 of the North Carolina General Statutes is required by the Consultant and its Subconsultant by North Carolina law and the provisions of the Contract Documents. The Consultant represents that the Consultant and its Subconsultant are in compliance with the requirements of Article 2 of Chapter 64 of the North Carolina General Statutes. Article 2 of Chapter 64 of the North Carolina General Statutes requires employers, that transact business in the State of North Carolina and employ 25 or more employees in the State of North Carolina, to electronically verify the legal employment status of an employee through the federal E-Verify program after hiring the employee to work in the State of North Carolina.

## **IX. Iran Divestment Act**

As a result of the Iran Divestment Act of 2015 (Act), Article 6E, N.C. General Statute § 147-86.55, the State Treasurer published the Final Divestment List (List) which includes the final companies and persons engaged in investment activities in Iran and will be updated every 180 days. The list can be found at <https://www.nctreasurer.com/inside-the-department/OpenGovernment/Pages/Iran-Divestment-Act-Resources.aspx>.

By submitting the Proposal, the Consultant certifies that, as of the date of this bid, it is not on the then current List created by the State Treasurer. The Consultant must notify the Department immediately if, at any time before the award of the contract, it is added to the List.

As an ongoing obligation, the Consultant must notify the Department immediately if, at any time during the contract term, it is added to the List. Consistent with § 147-86.59, the Consultant shall not contract with any person to perform a part of the work if, at any time the subcontract is signed, that person is on the then-current List.

During the term of the Contract, should the Department receive information that a person is in violation of the Act as stated above, the Department will take action as appropriate and provided for by law, rule or contract.

## **IX. Consultant Selection Criteria**

Criteria for the selection of the Consultant will include, but not necessarily be limited to, the following:

- Quality and completeness of response to the RFQ (20%);
- Approach and methodology of how Consultant will meet City's objectives for the project (30%);
- Applicable experience of Consultant and/or team proposed by the Consultant (25%); and
- Qualifications of individual(s) proposed for the duties (25%).

The selection team will consist of the Director of Public Works, City Engineer, Senior Engineer and Civil Engineer II (Capital). The team will evaluate the RFQ's based on the aforementioned items and corresponding percentages. It is envisioned that the City will select one team from the proposals but it is possible several teams will be short-listed and interviews/presentations will be scheduled.

## **X. Proposal Submission and Deadline**

All proposals are limited to 15 pages inclusive of the cover letter, and shall be typed on 8 1/2" x 11" sheets, single spaced, one sided. In order to reduce costs and to facilitate recycling; binders, dividers, tabs, etc. are prohibited. One staple in the upper left-hand corner is preferred. Proposals containing more than 15 pages will not be considered.

Interested firms are invited to submit four (4) hard copies and one electronic copy of their proposal no later than **2:00 pm, Tuesday, September 12, 2017.**

Proposals should be placed in an envelope with "Proposal for Waste Management Services – Town Creek Culvert Storm Drain Improvements" on the outside. The proposals should be addressed to:

Lisa Kirby, PE, CFM, Senior Engineer  
City of Greenville  
Public Works Department-Engineering Division  
1500 Beatty Street  
Greenville, North Carolina 27834

Each firm submitting a proposal shall agree to comply with all applicable state, federal and municipal laws, rules, regulations and ordinances governing this project, including any other requirements that may be dictated by state or federal agencies participating in project funding.

The City of Greenville reserves the right to reject any or all proposals.

For questions regarding this Request for Qualifications, contact Lisa Ann Kirby at (252) 329-4683 or [lkirby@greenvillenc.gov](mailto:lkirby@greenvillenc.gov).

**City of Greenville/Greenville Utilities Commission  
Minority and Women Business Enterprise Program**

**MWBE Guidelines for Professional Service Contracts  
\$50,000 and above**

**Policy Statement**

It is the policy of the City of Greenville and Greenville Utilities Commission to provide minorities and women equal opportunity for participating in all aspects of the City's and Utilities' contracting and procurement programs, including but not limited to, construction projects, supplies and materials purchases, and professional and personal service contracts.

**Goals and Good Faith Efforts**

Service providers responding to this solicitation shall comply with the MWBE program by making Good Faith Efforts to achieve the following aspirational goals for participation.

	CITY	
	MBE	WBE
<b>Professional Services</b>	4%	4%

Submitters shall submit MWBE information with their submissions on the forms provided. This information will be subject to verification by the City prior to contract award. **As of July 1, 2009, contractors, subcontractors, suppliers, service providers, or MWBE members of joint ventures intended to satisfy City MWBE goals shall be certified by the NC Office of Historically Underutilized Businesses (NC HUB) only.** Firms qualifying as "WBE" for the City's goals must be designated as a "women-owned business" by the HUB Office. Firms qualifying as "MBE" for the City's goals must be certified in one of the other categories (i.e.: Black, Hispanic, Asian American, American Indian, Disabled, or Socially and Economically Disadvantaged). According to new Statewide Uniform Certification (SWUC) Guidelines, ethnicity supersedes gender; therefore, firms who are certified as both a "WBE" and "MBE" will satisfy the "MBE" category only. **Each goal must be met separately. Exceeding one goal does not satisfy requirements for the other.**

The City shall accept NCDOT certified firms on federally funded projects only.

Please note: A service provider may utilize any firm desired. However, for participation purposes, all MWBE firms who wish to do business *as a minority* must be certified by NC HUB. A complete database of NC HUB certified firms may be found at <http://www.doa.nc.gov/hub/>

## Instructions

The submitter shall provide the following forms:

- FORM 1—Sub-Service Provider Utilization Plan  
This form provides the amount of sub-contracted work proposed on the project for MWBE. This proposed participation is based on the current scope of work. Submitter must turn in this form with submission. If the submitter does not customarily subcontract elements of this type of project, do not complete this form. Instead complete FORM 2.
- FORM 2--Statement of Intent to Perform work without Sub-Service Providers  
This form provides that the submitter does not customarily subcontract work on this type of project.
- Sub-Service Provider Utilization Commitment  
Submitted by the selected service provider after negotiation of the contract and prior to Award, this form lists the MWBE firms committed to participate on the project. This commitment will reflect any changes in the Plan due to adjustments in project scope.  
NOTE: A firm is expected to maintain the level of participation proposed in FORM 1 – Sub-Service Provider Utilization Plan – unless there is a negotiated change in the service required by the City. A firm is also encouraged to increase MWBE participation in the Utilization Commitment as a result of ongoing Good Faith Efforts.
- Proof of Payment Certification  
Submitted by the selected service provider with each payment application, listing payments made to subconsultants. This form is not provided with the submission.

*In addition to the forms provided above, each service provider must provide a discussion of its diverse business policies and procedures to include the good faith efforts it employed to utilize minority and women-owned firms on this project. This discussion must include:*

- 1. Outreach efforts that were employed by the firm to maximize the utilization of MWBE's.*
- 2. A history of MWBE firms used on similar projects; and*
- 3. The percentage participation of MWBE firms on these projects.*

*NOTE: Those service providers submitting FORM 2 should discuss and provide documentation to justify 100% performance without the use of subconsultants (both majority and minority) per the statements of the form.*

Minimum Compliance Requirements: All written statements, signed forms, or intentions made by the Submitter shall become a part of the agreement between the Submitter and the City for performance of contracts. Failure to comply with any of these statements, signed forms, or intentions or with the minority business guidelines shall constitute a breach of the contract. A finding by the City that any information submitted (either prior to award of the contract or during the performance of the contract) is inaccurate, false, or incomplete, shall also constitute a breach of the contract. Any such breach may result in termination of the contract in accordance with the termination provisions contained in the contract. It shall be solely at the option of the City whether to terminate the contract for breach or not. In determining whether a Submitter has made Good Faith Efforts, the City will evaluate all efforts made by the Submitter and will determine compliance in regard to quantity, intensity, and results of these efforts.
