RE: 2017 Stormwater Pipe Repair Project, Addendum #1
Date: September 8, 2017

The following items clarify, add to, delete from and/or otherwise change and supersede information previously issued to you in the Bid Documents for the above-referenced project. As such, said items shall be considered part of the contract and receipt of this addendum shall be acknowledged appropriately in the bid package. Please review the following items carefully and adjust your proposal accordingly.

Pre-bid Minutes and Clarifications

1. The Contractor will be issued task orders during the contract and will be paid per individual task.
2. Mobilization for the project will be a 3% max for the total unit bid cost and will be paid as 3% of each task order. .
3. It was confirmed at the pre-bid that a bid bond of 5% of the total base bid will be required.
4. The contractor must perform in excess of 50% of the contract price with his own forces.
5. All work during this contract will be performed within existing City right-of-way or within a drainage easement.
6. If during the contract there is an item that is not in the original unit bid form the Contractor will provide a written estimate for any item or items necessary to complete the project.
7. At the pre bid meeting it was stated that the City would hold 10% retainage per task order, but after further conversation the City is going to require a \$500,000.00 performance bond for the winning Bidder.
8. Make sure to attach your MWBE forms, Noncollusion Affidavit, Iran Divestment Certification, Bid Bond and the summary form at the front of the bid specs to the bid form. All these pages should state submit or attach to bid at the top of the individual page.

Requests for additional information:
