

To: All Interested Bidders
From: Victor Long
RE: 2017 Stormwater Pipe Repair Project, Addendum # 2
Date: September 25, 2017

The following items clarify, add to, delete from and/or otherwise change and supersede information previously issued to you in the Bid Documents for the above-referenced project. As such, said items shall be considered part of the contract and receipt of this addendum shall be acknowledged appropriately in the bid package. Please review the following items carefully and adjust your proposal accordingly.

1. In Addendum #1 the City had decided to require a \$500,000.00 bond instead of 10% retainage per assigned task order as discussed at the pre-bid Meeting. The City has changed that amount and now will require a \$200,000.00 Performance and Payment Bond for the winning Bidder.
2. The new bid opening will be at **2:00 PM, Friday, September 29, 2017**, and immediately thereafter the sealed bids will be publicly opened and read for furnishing and constructing the 2017 Stormwater Pipe Repair Project.
3. Please use the attached bid sheet to submit your bid and make sure to acknowledge the 1st and 2nd addendums.
4. Make sure to attach your MWBE forms, Noncollusion Affidavit, Iran Divestment Certification, Bid Bond and the summary form at the front of the bid specs to the bid form. All these pages should state submit or attach to bid at the top of the individual page.

Requests for additional information:

Any questions regarding this Addendum should be directed to Mr. Victor Long, at 252-329-4888 or email at vlong@greenvillenc.gov.

City of Greenville Contract Bid Form**ON CALL PIPE REPAIR PROJECT**
