## **Memorandum**

**To:** Ann Wall, City Manager

**From:** Brock Letchworth, Public Information Officer

**Date:** November 21, 2017

**Subject:** Civics Pilot Program

As you know, staff recently made presentations to Civics classes at J.H. Rose High School and South Central High School as part of the Civics Pilot Program endorsed by the City Council during its June 8, 2017 meeting.

Staff from the City Manager's Office, Police, Public Works, and Fire/Rescue recently received letters of gratitude from the students at South Central High School, and I wanted to share four of those with you (attached). Based on the overall feedback in all of the letters, students were surprised to learn about the many services offered by the City, and they are excited about ongoing and future development.

Students from each of the schools will tour City facilities in the near future to enhance what they learned during the presentations. They are also completing a project that is related to municipal government.

Dear Lettsworth

I really enjoyed your presentation on Nov 9th, 2017. I was really impressed with what Greenville is now doing in the community. I personally did not realize how much Greenville is doing in the coming years. Before hearing about what Greenville plans to do, I did not plan on staying here. With the new improvements to Greenville I might consider staying in Greenville. Once again thank you for taking time to present to our class.

Yours Truly

Marguerite 21

Dear Mr. Leichworth,

Thank you so much for coming and speaking to our class. You gave us a lot of useful information on the city of Greenville. Thank you for taking the time out of your day to come and speak to my high school class. I will definitely use the information you gave us for future projects we have in civics.

We currently have a project coming up with a solution for a problem in Greenville. It's so nice to know about all of the changes going on in Greenville. The live performance area will be really nice to have. It's nice that you guys are looking into issues you can see and actually trying to make a change.

I know my class really enjoyed having you Mr. Leichworth. We look forward to seeing these new changes brought to the city of Greenville.

Sincerely,

Care ~~XXXXXXXXXX~~

Dear MR. Letchworth,

Thank you for coming and speaking to our class. I enjoyed learning about all the new things that will be happening in Greenville. It was also interesting learning what the different roles in local government have to do. Once again thank you for taking the time to speak to our class.

Sincerely,

Mason ~~XXXXXXXXXXXX~~

November 13

Dear Brock Letchworth,

I am writing this letter to thank you so much, <sup>3</sup> to show my appreciation for coming to South Central High School and enlightening our 4th period civics class on innovation in Greenville. Learning about the city of Greenville government is always interesting because we can apply our knowledge of federal government to our community. I believe that accessible transportation is the most important goal you discussed for Greenville and I look forward to seeing improvements. Also, for new places like the Updown Theater. Thanks again!

Sincerely,

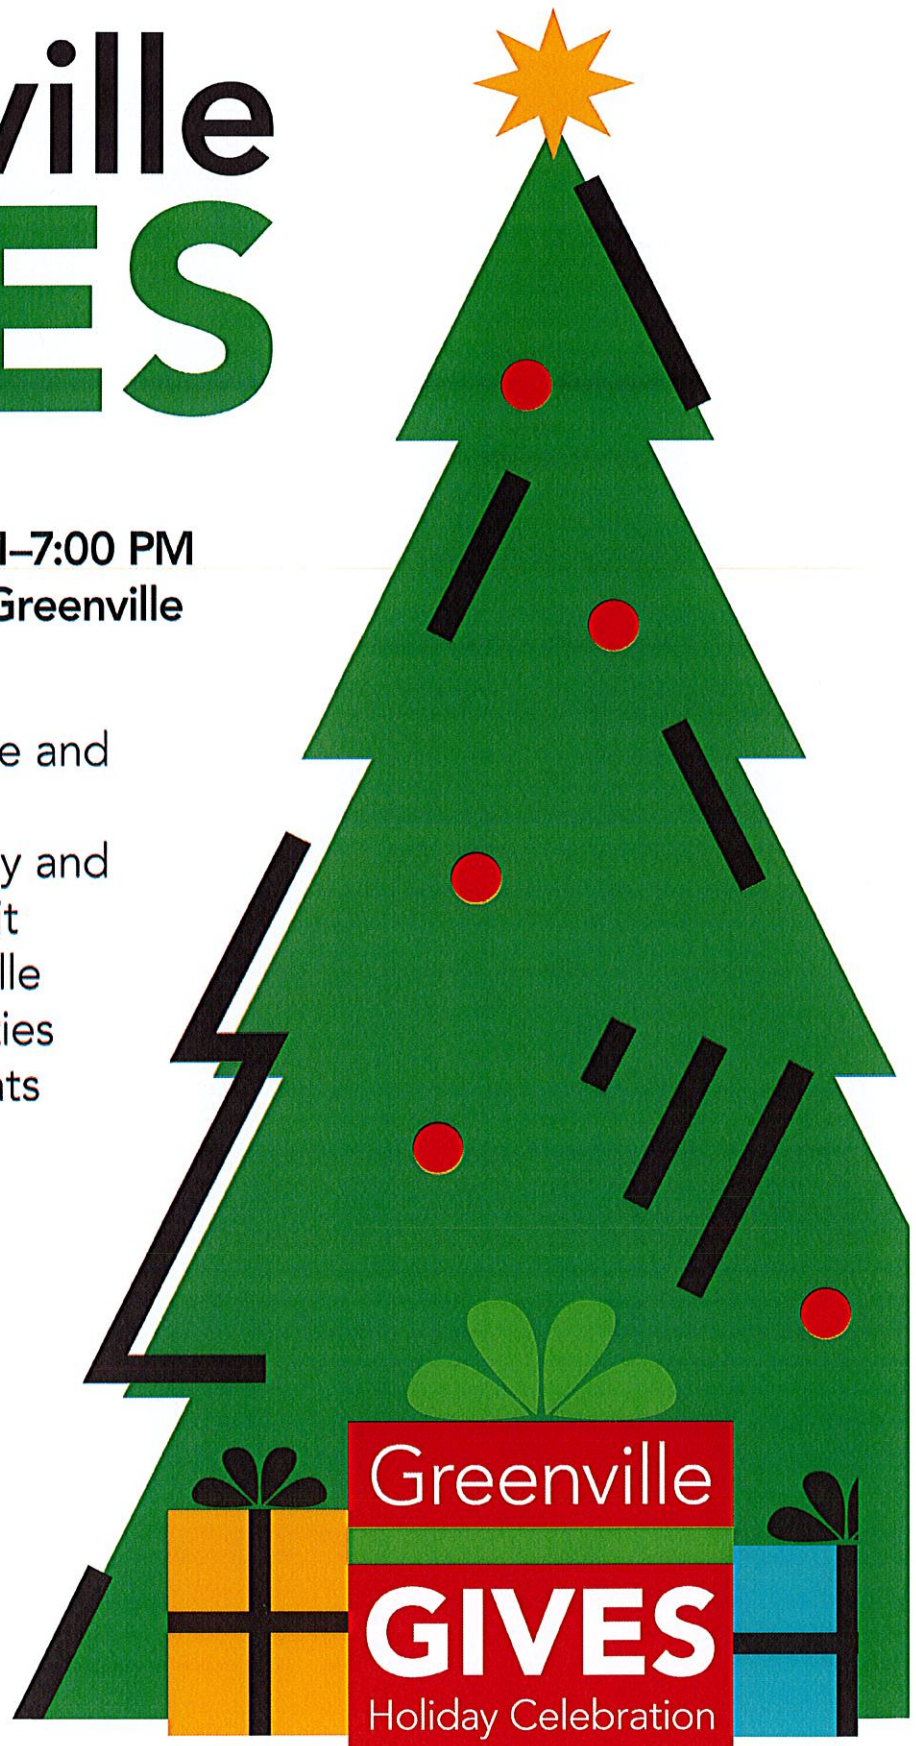

Quentin 

# Greenville GIVES

December 1, 2017 • 5:30 PM–7:00 PM  
Five Points Plaza • Uptown Greenville

Please join Uptown Greenville and the City of Greenville for our annual tree lighting ceremony and donation collection to benefit those in need in the Greenville area! Enjoy crafts and activities for the entire family, free treats from local businesses, free horse-drawn carriage and Jolly Trolley rides, wonderful performances from local talent, and a holiday market. Listen along as Greenville's Mayor reads "Twas the Night Before Christmas," and see everyone's favorite special guests Mr. and Mrs. Claus!
