

ADDENDUM #: 1 GRP PROJECT #: **17017**

DATE: February 5, 2018

PROJECT: **Town Common Restroom**

The City of Greenville Recreation and Parks Department is issuing this addendum to the Town Common Restroom Project, which constitutes an integral part of the bid documents. This Addendum is to be read in conjunction with the original document. Unless specifically changed by this Addendum, all other requirements and terms of the bid documents shall remain unchanged. It is the responsibility of all prospective bidders to conform to this Addendum and modify their bid proposals accordingly.

1). ADVERTISEMENT FOR BIDS, “**General Description of work:**” at the end of the first paragraph, ADD:

“**Bid Alternate # 1 - Town Common Pavilion.** The work also includes the installation and site work associated with a leaf shaped picnic structure that has been purchased the City of Greenville. The site work includes demolition, ancillary utility relocations, tree protection, grading and drainage, pavilion installation, concrete paving, retaining wall construction and planting. Plans for the pavilion can be examined by clicking on the Recreation and Parks webpage links below.
