

GTAC Conference Room AV System Project

Addendum No. 1

Project Name: GTAC Conference Room AV System Project	Project No.: RFP #17-18-32
Prepared By: Kyle Pitchford	Date: February 20, 2018

Clarification

The 80" display on the east wall of the conference room should be changed to a 75" or larger "smart board" display. It should be capable of functioning as a TV display, laptop display and a white board display.
