The Neighborhood Advisory Board works to preserve and strengthen neighborhoods in the City of Greenville. It will pursue this mission by increasing citizen participation in neighborhood organization and advocacy. This includes supporting the formation of new neighborhood associations by: creating and maintaining working relationships among neighborhoods and with the City of Greenville; disseminating information to Neighborhood Associations, Homeowner’s Associations and Liaisons which are important to sustain secure, healthy, and vibrant neighborhoods; and by serving as a liaison between neighborhoods and the City of Greenville.
