

ADVERTISEMENT FOR BIDDERS

Sealed bids will be received by the City of Greenville, in the Public Works Department Conference Room, 1500 Beatty Street, Greenville, NC 27834 until **Tuesday, June 4, 2019 @ 2:00PM** local time, and immediately thereafter publicly opened and read, for furnishing and constructing the following:

2010 CROOKED CREEK STREAM ENHANCEMENT PROJECT GREENVILLE, NORTH CAROLINA

The project shall provide all materials, equipment, equipment operators, labor and laborers to regrade approximately 250 feet of stream adjacent to 2010 Crooked Creek Road at a minimum of a 2:1 slope and to stabilize stream banks with coir erosion control matting along banks and bare areas. Specific areas requiring rip-rap stabilization shall be identified based on current conditions of the stream bank before construction. The entire project area should be planted with a permanent riparian seed mix and live stakes along bank. The stream work will all be done from the West side of the bank accessing the area through a temporary access easement at 2004 Crooked Creek Road. The contract shall include the removal of spoil and all necessary erosion control measures. The contractor shall make his determination of equipment and labor forces to be used. No separate measurement or payment will be made for hauling and dump fees at demolition landfills.

A Pre-Bid Conference will be held at the **Public Works, 1500 Beatty Street** Greenville, North Carolina on **Thursday, May 23, 2019 @ 2:00PM** local time. Attending of the pre-bid is not mandatory to bid on this project, but is recommended.

Digital copies of specifications and bid documents may be obtained at no cost on **Monday, May 20, 2019** on the City's website at: <http://greenvillenc.gov/government/financial-services/current-bid-opportunities>. Contact the Engineering Division of Public Works, Victor Long, EA II at (252) 329-4467 with any questions.
