POLICE DEPARTMENT

Memorandum

To: Ann Wall, City Manager

From: Mark Holtzman, Chief of Police

Date: July 29, 2019

Subject: 2019 National Night Out

The City of Greenville is once again excited to join 38.5 million people in 16,500 communities for National Night Out (NNO). The 2019 event is scheduled for Tuesday, **August 6, 2019, from 6:00 pm** - **8:00 pm**. During the event hours, we are asking citizens to turn on their porch lights and gather at one of the designated locations nearest them to celebrate with neighbors.

This year, the Greenville Police Department (GPD) will host five events for NNO at the following locations:

- Uptown: Five Points Plaza (Evans and 5th Streets)
- East Zone: Jaycee Park (2000 Cedar Lane)
- South Zone: Koionia Christian Center (1405 SW Greenville Blvd.)
- West Zone: Dream Park (1700 Chestnut Street)
- North West: Barnes Ebron-Taft Community Center (120 Access Road)

This year's theme is "Crime Prevention through Technology". The theme was selected to highlight our recent rebranding of the traditional Community Watch program through the implementation of Next Door technology. Our department was the first in the United States to partner exclusively in placing "THIS IS A NEXT DOOR COMMUNITY" signage in our neighborhoods to warn others of community solidarity through the nationally recognized crime prevention application. Each of the 5 locations will open with a 5-10 minute presentation on this year's topic by the Zone Commander or designee.

The 2019 plan brings neighborhoods in the same geographical policing zone to one centralized location to enjoy the amenities of a larger event. Each location will have free food, bounce houses, dunking booths, firetrucks, police vehicle displays, and more.

asa

GPD Mission Statement

The Greenville Police Department exists to enhance public safety and quality of life, in partnership with all people in our community, by preventing crime with honor and integrity.

Memorandum

Find yourself in good company

Subject: Traffic Safety Task Force Update

Attached is the quarterly update of the Task Force, showing items completed and in progress from April – June 2019.

I am also pleased to share that the Greenville Traffic Safety Task Force has been selected for the 2019 Collaboration Award. The award is a state award coming from the Governors Highway Safety Program in recognition of the collaborative accomplishments and strategies that the task force has implemented over the past year, and in an effort to decrease the number of crashes in Greenville. The key partners on the task force are GPD, ECU PD, Vidant PD, Vidant Injury Prevention, DOT, and Public Works.

ALLESSING LOR PALS

July 29, 2019

Ann Wall City of Greenville PO Box 7207 Greenville, NC 27835

RE: Termination of the Code Enforcement Resources Funding agreement effective August 12, 2019 with the City of Greenville

Dear Ms. Wall:

By this letter we hereby inform you that we will not be extending the Code Enforcement Resources Funding agreement past the August 12, 2019 term with the City of Greenville.

Thank you for your prior support. I look forward to working together in the future.

Yours sincerely,

Sarathandici

Sara Thorndike, MBA, CPA Vice Chancellor for Administration and Finance East Carolina University Greenville, NC 27858 252-328-6975
