

**RFP# 19-20-23**  
**HVAC Replacement – Unit #3 City Hall**

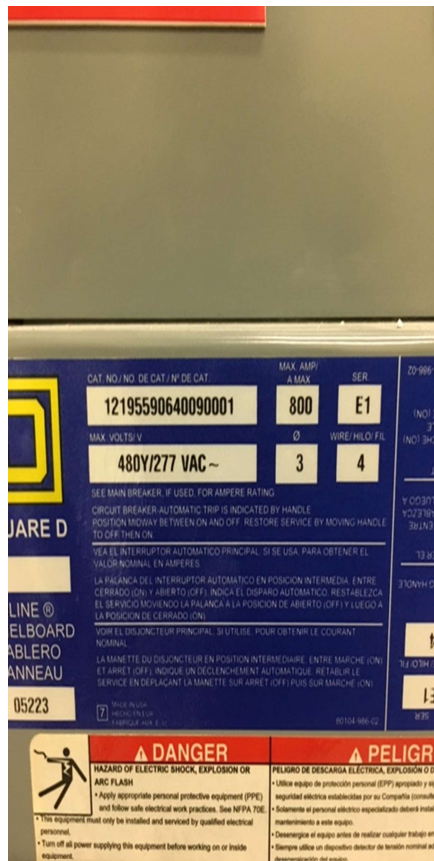

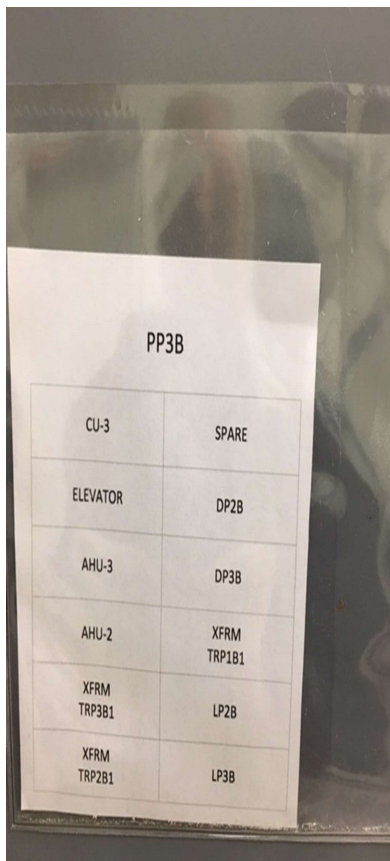

**Addendum No. 3**

<b>Project Name: HVAC Replacement – Unit #3 City Hall</b>	<b>Project No.: RFP# 19-20-23</b>
<b>Prepared By: Ross Peterson</b>	<b>Date: March 30, 2020</b>

**General Questions, Clarifications & Requirements:**

**Q; I would like to know what size wire is feeding the units from the panel in order to determine if it is adequate, particularly for the condensing unit. Also please send the pics with the make and size of the breakers/panel that power these units.**

**A; Pitt Electric has confirm that the wire size for Air Handler #3 is #4 THHN. Wire size for Condensing Unit #3 is 3/0 THHN**

**End of Addendum #3**
