Memorandum

To: Ann E. Wall, City Manager
From: Kevin Mulligan, PE, Public Works Director 
Date: 6/29/21
Subject: Clark Street Parking Lot

The City of Greenville Public Works Department, in coordination with Greenville Utilities and the Engineering Department, recently completed the construction of a 42 space parking lot on Clark Street between W. 8th Street and Dickinson Avenue.

The gravel lot is well lit and is marked with concrete bumpers as parking space identifiers. The lot is open to the public. Parking spaces can be paid for by downloading the Passport Parking App. This app will allow residents to securely pay for metered parking. The lot is scheduled to open at 8am on July 6th, 2021.
