Last updated June 2021

The City of Greenville Financial Services Department (FSD) is pleased to present the first-ever directory of minority- and women-owned businesses located within the Greenville, NC municipality. It is the policy of the City of Greenville and Greenville Utilities Commission to provide minorities and women equal opportunity for participating in city-sponsored contracting and procurement partnerships. Previous to the release of this document, there only existed a directory for MWBE businesses providing services for the city, such as construction projects, supplies and materials purchases, and professional service contracts. The present MWBE Community Directory encompasses all other businesses in the area that offer services and products for the everyday consumer, in industries including, but not limited to, auto mechanics, childcare, dining, education, law, retail, healthcare, and wellness.

Each business, practice, firm, or enterprise listed in this guide is at least 51% owned by one or more people of social minority status, including racial or ethnic minorities and women, and is designated based on the group to which its owners belong (see ownership status key below). Please note that this guide is informative in nature and is not to be understood as a list of the businesses the city endorses.

If you see an error or would like to submit a business for entry that is not currently listed, please contact the MWBE Coordinator, by phone at (252)329-4462. The MWBE Program is managed by the Purchasing Division of the Financial Services Department of the City of Greenville, located at 201 W. 5th St. in Uptown Greenville and is open to the public during normal business hours (8am-5pm) Monday through Friday. For more information, visit the City of Greenville online at www.greenvillenc.gov or Greenville Utilities Commission at www.guc.com.

Sincerely,

Carina DeRoche'

Ownership Status Codes

A	Asian-owned
B	Black-owned
F	Female-owned
L	Latino-owned
ME	Middle Eastern-owned
PND	Prefer not to disclose
