**Re:** Recreation & Parks Hosting Junior Tennis Tournaments

---

Greenville Recreation and Parks Department has been awarded the United States Tennis Association's (USTA) Junior Team Tennis State Championships. The tournament will be held in July of 2022 and 2023 on various courts in Greenville. The tennis facilities hosting matches include Elm Street Park, Evans Park and River Birch Tennis Center.

This event includes champions from each of the thirteen local leagues across the state who will compete for USTA North Carolina State Titles and the opportunity to advance to the USTA Southern Junior Team Tennis Sectional Championships. Players of all ages and skill levels will participate and represent over 6,000 Junior Team Tennis players in North Carolina.

Hosting this tournament over the next two years will bring a significant economic impact to the Greenville economy as well as offer local junior tennis players the opportunity to showcase their talent for the community. Athletics Division staff, along with the Parks Division, will assist tournament organizers to ensure players have a great experience in Greenville.

Please let me know if there are questions.
