

ITB# 21-22-39
Uptown Parking Deck Caulk

Addendum #1

Project Name: Uptown Parking Deck Caulk	Project No.: ITB# 21-22-39
Prepared By: Aaron Lewis	Date: March, 25, 2022

All addenda must be acknowledged on the bid form. All addenda become part of the specification and bid package for the project.

General Requirements, Questions & Clarifications:

1. Question: Will you extend the due date for bids to allow an extra week?

Answer: No.

2. Question: Will we be charged for parking.

Answer: No. Parking will be discussed at the pre-construction meeting and be at no cost to the winning bidder.

3. Question: Will caulk colors remain the same.

Answer: Colors will be discussed at the pre-construction meeting and be chosen from standard colors.

4. Clarification: The request for references must be filled per the instructions on page 6 of the bid document and included in the bid submission for the bid to be considered responsive.

5. Clarification: Exposed caulk around the bollard bases is to be removed and a bead of Pecora Corporation DynaTrol II applied around perimeter of base.
