| | MBE | WBE |
| Professional Services | 4% | 4% |

Submitters shall submit MWBE information with their submissions on the forms provided. This information will be subject to verification by the City prior to contract award. As of July 1, 2009, contractors, suppliers, service providers, or MWBE members of joint ventures intended to satisfy City MWBE goals shall be certified by the NC Office of Historically Underutilized Businesses (NC HUB) only. Firms qualifying as "WBE" for the City's goals must be designated as a "women-owned business" by the HUB Office. Firms qualifying as "MBE" for the City's goals must be certified in one of the other categories (i.e.: Black, Hispanic, Asian American, American Indian, Disabled, or Socially and Economically Disadvantaged). According to new Statewide Uniform Certification (SWUC) Guidelines, ethnicity supersedes gender; therefore, firms who are certified as both a "WBE" and "MBE" will satisfy the "MBE" category only. Each goal must be met separately. Exceeding one goal does not satisfy requirements for the other.

The City shall accept NCDOT certified firms on federally funded projects only.

Please note: A service provider may utilize any firm desired. However, for participation purposes, all MWBE firms who wish to do business *as a minority* must be certified by NC HUB. A complete database of NC HUB certified firms may be found at <u>http://www.doa.nc.gov/hub/</u>

Instructions

The submitter shall provide the following forms:

□ FORM 1—Sub-Service Provider Utilization Plan

This form provides the amount of sub-contracted work proposed for the project and subsequent task orders for MWBE firms according to needed discipline and anticipated task order. This proposed participation is based on the current scope of work for each anticipated task and discipline required. <u>Submitter must turn in this form with submission</u>. If the submitter does not customarily subcontract elements of this type of project, do not complete this form. Instead complete FORM 2.

□ FORM 2--Statement of Intent to Perform work without Sub-Service Providers This form provides that the submitter does not customarily subcontract work on this type of project.

□ Sub-Service Provider Utilization Commitment

Submitted by the selected service provider for each task order, this form lists the MWBE firms committed to participate on this order. This commitment will reflect any changes in the Plan due to adjustments in project scope.

NOTE: A firm is expected to maintain the level of participation listed in FORM 1 for each task order and firm used to satisfy required discipline in the – Sub-Service Provider Utilization Plan – <u>unless there is a negotiated change in the service required by the City</u>. A firm is also encouraged to increase MWBE participation in the Utilization Commitment as a result of ongoing Good Faith Efforts.

□ Proof of Payment Certification

Proof of payment must be submitted by the selected service provider with each payment application, listing payments made to sub-consultants. This form is not provided with the submission.

In addition to the forms provided above, each service provider must provide a discussion of its diverse business policies and procedures to include the good faith efforts it employed to utilize minority and women-owned firms on this project. This discussion must include:

- 1. Outreach efforts that were employed by the firm to maximize the utilization of MWBE's.
- 2. A history of MWBE firms used on similar projects; and
- 3. The percentage participation of MWBE firms on these projects.

Minimum Compliance Requirements: All written statements, signed forms, or intentions made by the Submitter shall become a part of the agreement between the Submitter and the City for performance of contracts. Failure to comply with any of these statements, signed forms, or intentions or with the minority business guidelines shall constitute a breach of the contract. A finding by the City that any information submitted (either prior to award of the contract or during the performance of the contract) is inaccurate, false, or incomplete, shall also constitute a breach of the contract. Any such breach may result in termination of the contract in accordance with the termination provisions contained in the contract. It shall be solely at the option of the City whether to terminate the contract for breach or not. In determining whether a Submitter has made Good Faith Efforts, the City will evaluate all efforts made by the Submitter and will determine compliance in regard to quantity, intensity, and results of these efforts.
