

## Engineering 30’x50’ Tubular Steel Building Project Addendum No. 1

Project Name: Engineering 30’x50’ Tubular Steel Building	Project No.: RFP# 22-23-44
Prepared By: Travis Welborn	Date: 5-26-2023

### General Questions, Clarifications & Requirements:

**Q: Will Civil plans be required?**

A: A site plan will likely be required by the Inspections Department prior to issuance of a building permit. The City will handle preparation and submittal of the site plan if necessary. The Contractor will be responsible for preparation and submittal of the building permit and any associated fees related to the building permit.

**Q: The completion date is not feasible due to current building lead times.**

A: The **CONTRACT TERM** portion of the Project Schedule section of the Bid Request shall be deleted and replaced with the following language:

The Contractor shall have 120 days from Notice To Proceed date for delivery of metal building to site. Upon delivery of building to site Contractor shall have an additional 60 days for installation and completion of construction. Total contract term shall be 180 days maximum.

**Q: Any pricing for electric or insulation?**

A: No electrical as part of this project. Insulation per bid documents.

### **ADDITIONAL CLARIFICATIONS**

1. The “BID FORM” in the original Bid Request shall be replaced with the “ADDENDUM #1 BID FORM” as included in this Addendum. All Bidders shall acknowledge receipt of Addendum #1 on the Bid Form.
