Re: NTC – 2023 Independence Day Celebration

We are counting down the days as the City is preparing for its annual Independence Day Celebration filled with pop and fun to celebrate the day. Staff have brought together entertainment, sponsors, a non-profit partner, vendors, and a firework display to fill the Town Common with July 4th splendor beginning at 3pm.

A classic car show will kick off the day's activities, along with the opportunity to frequent various food trucks and beer garden, which is provided by the Greenville Jaycees. Live music at the amphitheater stage begins at 6:30pm with The Switch offering a 2-hour performance.

At dusk, Starfire Corporation will put on the day's firework finale. No pets are allowed in the park during the event, with the exception of special needs service animals.

The celebration is a City wide effort with staff from the Police Department, Fire and Rescue, Public Works, Risk Management, Special Events, and Recreation & Parks supporting the event in some part of the process.

Recreation and Parks staff will promote the event throughout the community via social media, local media, and the City's webpage. Additional information can be found online at Greenvillenc.gov or by calling 252.329.4567.

Please let me know if there are any questions.
