

INFORMAL BID REQUEST #22-23-49

Bid Due Date: July 14th, 2023 @ 4:00 pm

SPEED CUSHION INSTALLATION

The City of Greenville, NC (City) is in need of a contractor to install speed cushions along designated streets in Greenville, NC.

All work and materials shall be in accordance with the provisions of the General Guidelines of this contract, the Project Special Provisions, the North Carolina Department of Transportation Standard Specifications for Roads and Structures, the North Carolina Department of Transportation Roadway Standards Drawings, the current edition of the Manual of Uniform Traffic Control Devices (MUTCD), and the Traffic Signal Specifications and all addenda.

The Contractor shall keep himself fully informed of all Federal, State and local laws, ordinances, and regulations.

SCOPE OF WORK

The work entails drilling, epoxy and lag bolting the speed cushions to the pavement.

All of the materials required to complete the installation described above will be provided by the City, but the Contractor shall be responsible for picking up the materials at the Public Works Compound, Building E.

The anticipated equipment required for the installation includes:

- Vehicles to transport the materials from PW to the job site;
- Pick-up trucks to haul the actual tools required
- Compressed air to clean area and drill holes
- Portable drills (chargeable)
- Regular electric drills
- Gas powered generators to power the electric drills
- Drill bits (to be defined with selected Contractor)
- Caulking guns

It is assumed that the contractor will also provide the traffic control to install each location. It is also assumed based on the locations on residential streets, that traffic control can be accomplished by a standard flagging operation.

The locations will be located in the field by City staff. Traffic technicians will be on-site to direct the Contractor on the installation process.

TRAFFIC CONTROL AND WORK ZONE SAFETY

The Contractor shall maintain traffic during construction and provide, install, and maintain all traffic control devices in accordance with these project guidelines, the Project Special Provisions, North Carolina Department of Transportation Standard Specifications for Roads and Structures 1995, and the current edition of the Manual of Uniform Traffic Control Devices (MUTCD).

The Contractor shall utilize complete and proper traffic controls and traffic control devices during all operations. All traffic control and traffic control devices required for any operation shall be functional and in place prior to the commencement of that operation. Signs for temporary operations shall be removed during periods of inactivity. The Contractor is required to leave the project in a manner that will be safe to the traveling public and which will not impede motorists.

Traffic movements through lane closures on roads with two-way traffic shall be controlled by flaggers stationed at each end of the work zone. In situations where sight distance is limited, the Contractor shall provide additional means of controlling traffic, including, but not limited to, two-way radios, pilot vehicles, or additional flaggers. Flaggers shall be competent personnel, adequately trained in flagging procedures, and furnished with proper safety devices and equipment, including, but not limited to, safety vests and stop/slow paddles.

All personnel when working in traffic areas or areas in close proximity to traffic shall wear an approved safety vest, or shirt or jacket which meets the color requirements of the Manual of Uniform Traffic Control Devices (MUTCD).

The Contractor shall comply with all applicable Federal, State, and local laws, ordinances, and regulations governing safety, health, and sanitation, and shall provide all safeguards, safety devices, and protective equipment, and shall take any other needed actions, on his own responsibility that are reasonably necessary to protect the life and health of employees on the job and the safety of the public, and to protect property in connection with the performance of the work covered by the contract.

Failure to comply with any of the requirements for safety and traffic control of this contract shall result in suspension of work.

SUPERVISION BY CONTRACTOR

At all times during the life of the project the Contractor shall provide one permanent employee who shall have the authority and capability for overall responsibility of the project and who shall be personally available at the work site within 24 hours notice. Such employee shall be fully authorized to conduct all business with the subcontractors, to negotiate and execute all supplemental agreements, and to execute the orders or directions of the Engineer.

At all times that work is actually being performed, the Contractor shall have present on the project one competent individual who is authorized to act in a supervisory capacity over all work on the project, including work subcontracted. The individual who has been so authorized shall be experienced in the type of work being performed and shall be fully capable of managing, directing, and coordinating the work; of reading and thoroughly understanding the contract; and receiving and carrying out directions from the Engineer or his authorized representatives. He shall be an employee of the Contractor unless otherwise approved by the Engineer.

The Contractor may, at his option, designate one employee to meet the requirements of both positions. However, whenever the designated employee is absent from the work site, an authorized individual qualified to act in a supervisory capacity on the project shall be present.

CLEAN THE WORKSITE

The contractor shall clean the site of debris, which results from installing the speed cushions. At the end of each workday, the site shall be cleaned and cleared. The contractor will haul away any waste material to an approved public landfill.

METHOD OF MEASUREMENT

The quantity of speed cushions to be paid for will be the actual number of speed cushions installed, which have been satisfactorily placed and accepted by the Engineer.

COMPENSATION

Such price and payment will be full compensation for all work covered by this provision.

PROJECT SCHEDULE

The City expects to award the contract for this project in July of 2023.

CONTRACT TERM

The contract term will be three (3) months with no extension.

CONTRACT PAYMENT: Lump Sum

PROSECUTION AND PROGRESS

The Contractor shall pursue the work diligently with workmen in sufficient numbers, abilities, and supervision, and with equipment, materials, and methods of construction as may be required to complete the work described in the contract by the completion date.

The Contractor's operations are restricted to daylight hours. No work may be performed on weekends or legal City holidays. Work shall only be performed when weather and visibility conditions allow safe operations. The Contractor shall not close lanes or restrict traffic between the hours of 7:00 a.m. - 9:00 a.m. and 4:00 p.m. - 6:00 p.m. on weekdays.

PROPOSAL SUBMITTAL REQUIREMENTS:

ATTACHMENT B
GENERAL TERMS AND CONDITIONS

The contract terms provided herein are not exhaustive but shall become a part of any contract issued as a result of this solicitation. Any exceptions to the contract terms must be stated in the submittal. Any submission of a proposal without objection to the contract terms indicates understanding and intention to comply with the contract terms. If there is a term or condition that the firm intends to negotiate, it must be stated in the proposal. The successful firm will not be entitled to any changes or modifications unless they were first stated in the proposal. The City reserves the right, at its sole discretion, to reject any or all submittal package(s) containing unreasonable objections to standard City contract provisions.

1. **NONDISCRIMINATION:** The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, national origin, sex, age, disability, income-level, or LEP in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulations as set forth in Appendix E, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 C.F.R. part 21.

2. **SOLICITATIONS FOR SUBCONTRACTS, INCLUDING PROCUREMENTS OF MATERIALS AND EQUIPMENT:** In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Acts and the Regulations relative to Non-discrimination on the grounds of race, color, national origin, sex, age, disability, income-level, or LEP.

3. **NON-COLLUSION:** Respondents, by submitting a signed proposal, certify that the accompanying submission is not the result of, or affected by, any unlawful act of collusion with any other person or company engaged in the same line of business or commerce, or any other fraudulent act punishable under North Carolina or United States law.

4. **PAYMENT TERMS:** The City agrees to pay all approved invoices Net Thirty (30) days from the date received and approved. The City does not agree to the payment of late charges or finance charges assessed by the seller or vendor for any reason. Invoices are payable in U.S. funds. However, the City

shall not be obligated to make payment to the Contractor for any services performed under this contract.

5. **GOVERNING LAW:** Any agreement, contract or purchase order resulting from this invitation to bid, request for proposals or request for qualifications or quotes, shall be governed by the laws of the State of North Carolina without regard to its choice of law provisions, and venue for any action or suits arising out of or relating to this contract shall be the North Carolina General Courts of Justice, in Pitt County, or if in federal court, in the Eastern District of North Carolina.
6. **SERVICES PERFORMED:** All services rendered under this agreement will be performed at the Contractor's own risk and the Contractor expressly agrees to indemnify and hold harmless the City, its officers, agents, independent contractors, officials (elected and appointed) and employees from any and all liability, loss or damage that they may suffer as a result of claims, demands, actions, damages or injuries of any kind or nature whatsoever by or to any and all persons or property. Additionally, all work performed under this Contract shall be performed in a workmanlike and professional manner, to the reasonable satisfaction of the City, and shall conform to all prevailing industry and professional standards.
7. **INDEPENDENT CONTRACTOR:** It is mutually understood and agreed the Seller is an independent contractor and not an agent of the City, and as such, Contractor, his or her agents and employees shall not be entitled to any City employment benefits, such as but not limited to vacation, sick leave, insurance, worker's compensation, pension or retirement benefits.
8. **VERBAL AGREEMENT:** The City will not be bound by any verbal agreements.
7. **INSURANCE REQUIREMENTS:** Contractor shall maintain at its own expense (a) Commercial General Liability Insurance in an amount not less than \$1,000,000 per occurrence for bodily injury or property damage; City of Greenville, North Carolina, 200 W.
