MEMORANDUM

To: Ann Wall, City Manager
From: Johnathan Bryant, Business Liaison 
Date: September 21, 2023
Subject: NTC - Small Business Assistance Program Update
CC: Michael Cowin, Deputy City Manager
Ken Graves, Assistant City Manager
Tiana Berryman, Director of Neighborhood and Business Services

The Neighborhood and Business Services Department has recently completed its first round of the Small Business Assistance Program. This program is funded through the American Rescue Plan Act with an allocation of \$400,000. The City received 28 applications and is awarding funding to 4 small businesses for a total of \$162,550.

The successful applications fulfilled these overriding goals:

1. Support for existing small businesses that were disproportionately impacted by the pandemic, including rehabilitation of new or existing commercial buildings used by small businesses as their place of business.
2. Support for startup businesses including, but not limited to, investment in commercial buildings and/or commercial building improvements used by small businesses as their place of business and/or operating equipment costs to assist in business development.

Aside from achievement of the program overriding goals, businesses were assessed based on financial strength, experience, receipt of previous pandemic relief, and eligibility of projects. The City partnered with a third party, Civitas, for underwriting and evaluation of applications. A second funding round is planned to open in the fall.
