City of Greenville, North Carolina

Meeting Date: 03/11/2024

Title of Item: Discussion of Data Processing Center and Modular Data Processing Facility Standards

Explanation: At the January 8, 2024 meeting, the City Council requested for the Planning and Development Services Department staff to provide a presentation on data processing centers and modular data processing facilities.

Staff's presentation will include:

- Information on the City's current standards that were adopted in 2022
- Information on standards from other jurisdictions in North Carolina
- Potential impacts of repeal
- Legal considerations
- Evaluation of and recommendation for next steps

Fiscal Note: No cost to the City.

Recommendation: Receive information from staff and provide direction for next steps.

City of Greenville, North Carolina

Meeting Date: 03/11/2024

Title of Item: Presentation by City Staff for Enhancement to the Greenville Convention Center Courtyard

Explanation: City staff will present a design option to enhance the Greenville Convention Center courtyard.

The scope of the project will include the following:

- Replacement of existing landscaping that has reached the end of its life-cycle and impedes visibility of the convention center from the roadside, creating a more attractive, inviting aesthetic and preventing further displacement of the walking surface.
- The walking surfaces are to be addressed for improvements in appearance and safety.
- Potential for lighting, seating, audio/visual and other enhancements will also be addressed in the presentation

Fiscal Note: Funding for enhancement will be from the Occupancy Tax fund.

Recommendation: City Council to receive presentation by staff on design enhancement to the Convention Center Courtyard.

City of Greenville,
North Carolina

Meeting Date: 03/11/2024

<u>Title of Item:</u>	Fire Protection System Inspection Report Management System Agreement
<u>Explanation:</u>	The City of Greenville Fire/Rescue Department has a desire to partner with Life Safety Inspection Vault (LIV) and utilize their online web application and dashboard to manage reports related to the inspection, testing, and maintenance of fire protection systems.
<u>Fiscal Note:</u>	Adjustment to existing staff position duties for management of the system
<u>Recommendation:</u>	Hear the presentation and authorize the agreement
