Swamp Stomp *at River Park North*

River Park North is home to wetlands that clean the water we drink, buffer us from floods, and provide amazing recreational opportunities from wildlife viewing to fishing and hunting. Dress to get dirty, we will catch frogs, salamanders, insects, and small fish, some of which will be examined in our L.A.S.T. STEAM Lab. Preregistration is required. Registration will close at noon on June 6.

9:00 a.m. – 10:30 a.m.

Fee: \$7; Discounted Greenville Resident: \$5.

For additional information please call
