**Re:** 2024 Fall & Winter Program Guide

---

The Recreation and Parks Fall & Winter program guide is now online and registration is live for fall programs, with registration for winter programs opening in October! Programs and events in this issue will begin in August. Programs will take place throughout the City's Recreation Facilities and within Parks. Staff are committed to providing services to the Greenville community, with safety and well-being being a top priority.

Recreation and Parks staff have organized a diverse lineup of program plans for these two seasons. Program offerings includes: Adult Kickball, Adult Softball, Future Stars Youth Soccer, Youth Baseball, Various Outdoor Exercise Programs, Several Aquatic Programs, Various Arts & Craft Programs, Outdoor Nature Programs, and Special Events.

The department's Fall & Winter Brochure can be viewed at [Greenvillenc.gov](http://Greenvillenc.gov), with a link also being found on social media platforms. The brochure details programs and events that will be implemented through March of 2025. Staff continue to assess the needs of the community to determine program offerings, which will determine future brochure offerings.

A digital platform titled *Issuu* is being used to publish the brochure content. This service allows the content to be easily read in a flipbook format and is more interactive with readers. It is also responsive on all devices and allows interactive links to be published.

Please let me know if there are any questions.
