Re: 2024 Fall Pickleball and Tennis Tournament

Recreation and Parks is hosting three pickleball and tennis tournaments this fall at Elm Street Park and River Birch Tennis Center. These tournaments not only serve our local community, but also the Down East region as participants have registered from the Raleigh area.

Below are some details about each of the upcoming tournaments:

- **River Birch Fall Brawl Tournament – October 5th**
 - Tennis staff have worked alongside the NCTA to secure a local L7 (beginner/low intermediate) level approved junior tournament to be hosted at River Birch Tennis Center, serving ages 8-18. Tournaments of this division allow players the opportunity to introduce themselves to competitive tournament play. A tournament at this level has not been hosted in over four years in the region. Registration closed with thirty-four participants from the Greenville and Raleigh area.
- **Greenville Fall Open Pickleball Tournament – October 19th and 20th**
 - This tournament is presented by Youngs Physical Therapy and will be the third tournament hosted by the department at Elm Street Park. The co-ed tournament will have different divisions based on skill and age. Registration is currently open and closes on October 16th.
- **River Birch Fall Frenzy Tournament – November 2nd**
 - Tennis staff have worked alongside the NCTA to secure a local L7 (beginner/low intermediate) level approved adult tournament (ages 18 and older) to be hosted at River Birch Tennis Center. Tournaments of this division allow players the opportunity to introduce themselves to competitive tournament play. Registration is currently going on and will close on October 28th.

Please let me know if there are additional questions.

RECREATION AND PARKS
PROJECT MANAGEMENT

To: Michael Cowin, City Manager
From: Don Octigan, Executive Director of City Projects & Recreation Services *DO*
Date: October 9, 2024
Re: GAFC Basketball Court Floor Replacement

This memo is to provide a brief update on a Facilities Improvement Project at the Greenville Aquatics and Fitness Center (GAFC) that will replace the basketball court flooring in the gymnasium. The current basketball court floor was installed over 18 years ago. It has experienced high wear, which has created discolored areas and has developed moisture under the floor which requires replacement.

The project will include removal of the existing flooring, cover the subfloor with sealant to prevent moisture, installation of new flooring, and upgrading two gym-entry hallways floors with Luxury Vinyl Tile (LVT).

Due to these improvements, the basketball gym will be closed beginning Wednesday, October 22nd through Tuesday, December 31st. In addition, access to the Free-Weight Room and Aerobic Room will be limited during the installation of LVT in the hallways. If there are any changes in the project schedule, staff will communicate these through emails to Members, flyers in the facility, and posts on social media. In addition, during the time of renovations, Members will be allowed to freeze their membership accounts for free.

Please let me know if there are additional questions.

Re: Dream Park Community Building – Ribbon Cutting October 29th

In December 2023, City Council approved the construction contract with Farrior & Sons to renovate the old fire station located within the Dream Park on Chestnut Drive. Since then, City staff have worked with Farrior & Sons on the renovations of the facility, which was designed by HH Architecture. The project, which was anticipated to take 9-12 months, is expected to be completed this week. To officially open the facility, City staff will host a ribbon cutting on Tuesday, October 29th beginning at 4:00pm.

The project includes a complete renovation to the facility and the improvements will make the Dream Park Community Building a new asset for Greenville's Park system that can be rented for family events, business meetings or other purposes. The design focused on increasing the life span of the facility by bringing the building up to code while also keeping the historical integrity of the building. The building, which is approximately 5,500 square feet, is set to be open for public rentals on November 8th.

Some of the features of the building include:

- Lobby and office space to accommodate two employees; one full-time and one part-time.
- Storage for facility table and chairs which will be used for public events and rentals.
- Warming area with refrigerator, sink and counter space; includes access from assembly room.
- New Assembly area will accommodate up to 150 People, depending on set-up.

The Mayor, City Council Members and the community are invited to join City staff at the ribbon cutting on October 29th. Following the 4:00pm ribbon cutting, the facility will be open to the public for tours. For questions and to inquire about renting the facility, the community can contact the Recreation & Parks Administrative Office at (252) 329-4567.

Please let me know if there are additional questions.
