## **INTRODUCTION**

The Manual of Fees represents the compilation into one document of the fees and charges established by the City Council. Annually, the Manual of Fees is reviewed in its entirety and edited with any changes that may be made by City Council during the budget process.

Revisions may be made in this Manual as fees and charges are subsequently amended, established, or altered by City Council. Once City Council approves an amendment, it is the department head's responsibility to notify the Financial Services Director of the change.

The Manual of Fees was first printed on March 12, 1981. The Manual of Fees was repealed by the City Council and a new Manual of Fees was adopted on June 9, 1983 by Ordinance 1280.
