

KIDS' NIGHT IN NATURE

FEBRUARY 14-15

6:00PM-9:00AM

Drop Off
Your Children Ages
7-12 years old
& plan an evening
to **YOURSELF!**

\$18, Greenville
Residents \$15

1000 Mumford
Road

We'll provide the food! Activities will focus on adaptations that animals use to survive at night. We will go on a night hike through River Park North to better understand how these adaptations are used. Participants will also get to campout at the park and leave the next morning.
