**Title of Item:** Evaluation Process for Boards & Commissions

**Explanation:** Concerns raised by City Council Members and staff regarding quorum issues, turnover, and extended vacancies on the City Council's advisory boards has raised the need to evaluate their current use, efficiency, and support. Previous evaluations were conducted by a small committee consisting of the City Manager, City Attorney, City Clerk, and representatives of the City Council appointed by the Mayor, with recommendations presented to the full City Council for review and approval.

This presentation will outline the boards that will be evaluated and propose the next steps in the process.

**Fiscal Note:** No direct fiscal impact.

**Recommendation:** Hear the presentation and next steps.
