## MEMORANDUM

To: Michael Cowin, City Manager  
From: Tiana Berryman, Director of Neighborhood and Business Services  
Date: August 18, 2025  
Subject: Greenville Human Relations Council – 18th Annual Inclusive Community Breakfast

---

The Greenville Human Relations Council will host the City's 18th Annual Inclusive Community Breakfast on Thursday, September 25, 2025, at First Christian Church, 2810 E. 14th Street. This year's theme is "Understanding Food Insecurity: Causes, Impact, and Solutions."

Food insecurity is a systemic challenge that can affect anyone. Contributing factors include high living costs, expensive housing, unemployment, and low-wage jobs. Beyond economic hardship, food insecurity significantly affects both physical and mental health. By understanding these health impacts, communities may be inspired to support the individuals enduring these hardships and understand ways to contribute to support efforts.

A flyer is enclosed, and advance registration is required.

RECREATION AND PARKS  
PROJECT MANAGEMENT

**To:** Michael Cowin, City Manager  
**From:** Heather White, Assistant Director of Recreation & Parks  
**Date:** August 20, 2025  
**Re:** 2025 Greenville Recreation and Parks Summer Camp Wrap-Up

---

Recreation and Parks staff wrapped up a successful summer camp season on August 1<sup>st</sup>. Throughout the eight-week summer camp, campers enjoyed many different activities, field trips and experiences creating many memories.

Throughout the summer our wide array of camps (day camps, art, nature and sport specific) provided opportunities for 1,861 youth participants at seven different facilities. Recreation and Parks staff are already in the planning stages of 2026 summer camps. Registration for those will begin February 2<sup>nd</sup>, with registration taking place until each program meets its capacity.

In addition, the Greenville Aquatics & Fitness Center staff had a very busy, and successful summer at the Greenville Outdoor Aquatic Center. This included recruiting lifeguards, conducting swim lessons, hosting swim meets, and offering summer day camp swim times.

Aquatics staff hosted 26 differing summer camps, which included 10 city camps and 16 private camps with a total of 5,931 participants. The total summer participation number will not be confirmed until the pool closes for the season, September 2<sup>nd</sup>.

Please let me know if there are any questions.
