### Action Required

**TO:** Transportation Advisory Committee  
**FROM:** Daryl Vreeland, AICP, Transportation Planner  
**SUBJECT:** Amendments to the Transportation Improvement Program (TIP) for project TD-4716 (Intermodal Center)

Purpose: Amend the TIP for the following project:

1. TD-4716 (Intermodal Center-Land, Planning, Design, Construction)
  - proposed amendment updates total project cost and programs available funding in Federal, State, and Local funding categories for FY14 and FY15).

Discussion:

Since the last round of TCC and TAC meetings, MPO Staff was made aware of an amendment to the STIP that NCDOT staff will submit to the Board of Transportation. The North Carolina Board of Transportation is anticipated to amend the 2012-2018 State Transportation Improvement Program (STIP) for the above item. The projects provide NCDOT funds under the TIP heading as described above.

Until the TIP is amended so that it matches the amended version of the STIP for project ID TD-4716 no work can be performed under this TIP heading. Therefore, it is in the MPO's best interest to amend the TIP accordingly, to allow for expenditure of funds in project TD-4716.

To follow the proper protocol for the expenditure of Federal funds, the 2012-2018 TIP must be amended to correspond with projects in the STIP. This amendment would modify the TIP as indicated above and in the adoption resolutions.

In accordance with the MPO's Public Involvement Plan, these proposed amendments to the 2012-2018 TIP were advertised in the local newspaper for a minimum of 10 days. No public comments were received.

Action Needed: TAC adopt resolution 2014-14-GUAMPO, amending the TIP as indicated and recommended by TCC during their April 8, 2014 meeting.

### Transportation Advisory Committee

### Action Required

April 22, 2014

TO: Transportation Advisory Committee  
 FROM: Daryl Vreeland, AICP, Transportation Planner  
 SUBJECT: Obtaining public input on draft Metropolitan Transportation Plan (MTP)

Purpose: Consider a recommendation that TAC seek public comment for a draft long range transportation plan update (now called Metropolitan Transportation Plan, or MTP).

Discussion: Every five years, Metropolitan Planning Organizations are required by federal law to update their Metropolitan Transportation Plan (MTP). The Greenville Urban Area Metropolitan Planning Organization last adopted its long-range plan in August, 2009. The *2014-2040 MTP* updates the 2004-2030 *LRTP* to a Year 2040 planning horizon; summarizes the transportation-related plans, statistics, activities, and programs of the Greenville Urban Area MPO and its member agencies; and includes a financial plan.

The process for updating the 2014-2040 MTP is as follows:

- The TCC will review and discuss the MPO's Draft 2014-2040 MTP. (**Apr 8, 2014**)
- The TAC will consider presenting the Draft 2014-2040 MTP to the public. (**Apr 22 TAC -- this meeting**)
- The Lead Planning Agency (LPA) and NCDOT will revise the Draft 2014-2040 MTP as necessary and make it available for public review and comment. (**Anticipated to be sometime between May 5, 2014 - June 27, 2014**)
- After a 45-day public comment period the Draft 2014-2040 MTP along with public comments will be presented to the TCC for further review and discussion to be recommended to the TAC for consideration and adoption. (**July 15 TCC and Aug 5, 2014 TAC**)
- After TAC adoption, the 2014-2040 MTP will be transmitted to NCDOT.

Development of the draft document was coordinated with NCDOT. The draft document was presented to Federal Highway Administration for initial input. Their edits and comments have been incorporated within the Draft 2014-2040 MTP. Future edits may be necessary to meet further regulatory review.

Action Needed: TAC seek public input on the Draft 2014-2040 MTP.
